## OUR MISSION

The Greater Sayville Civic Association Inc is a volunteer, member-based organization, committed to protecting and enhancing quality of life for Sayville, West Sayville and surrounding community residents through civic engagement with the important issues facing our community. Our main goal is to educate our members about the issues that affect us.

## WHO ARE WE?

The GSCA, comprised of volunteer Directors and Members, will foster civic engagement around local environmental, cultural and economic issues. These may include:

- Protecting our open spaces and sustaining our natural resources
- Enhancing the viability of our commercial corridors
- Preserving the character of our residential neighborhoods

## MONTHLY MEETINGS

Our monthly meetings are held typically the first Wednesday of each month at the Sayville Library at 6:45pm (except in July).

A typical agenda includes:

- Fifth Precinct update
- Local Town updates (e.g., sewer projects and Island Hills Development)
- Community Organizations updates

Memorial Day Parade 2019

## EVENTS

### ANNUAL FOOD DRIVE

### CANDIDATE FORUMS

Governance Positions and Board of Education

### COMMON GROUND AT ROTARY PARK – SUMMER SERIES

### GOOD CEMETERIAN PROJECT

### GREEN'S CREEK PLANTINGS

### KEEP ISLIP CLEAN

### SAFE STOP

We created a community program where children in fear or danger can find a Safe Stop to seek help. This is an environment for our children where they are expected to act in a respectful manner to their peers and adults. Shopowners display a window decal in their front window that the public recognizes as a "Safe Stop".

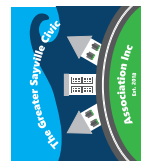

*We Show Up for Our Community...*
